COVID-19 Vaccine Data Dashboard

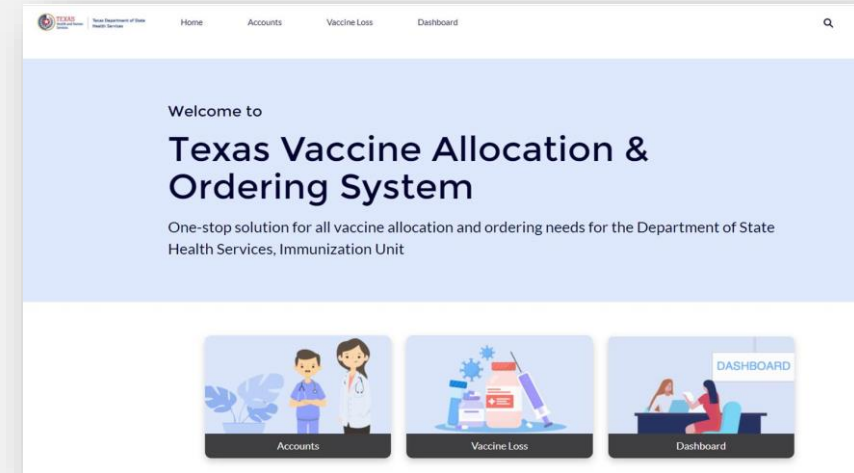

Dashboard and VAOS

Vaccine Data Dashboard

- **Local Health Departments** can view all the vaccine administration data in their jurisdiction, sorted by individual providers
- The dashboard is intended for **monitoring purposes** only; no direct actions can be taken through the Data Dashboard.

Vaccine Allocation & Ordering System (VAOS)

- **COVID-19 Vaccine Providers** accept allocations, confirm vaccine shipments, and report waste.
- **LHDs who are approved COVID-19 Vaccine providers also have access to VAOS**

COVID-19 Vaccine Data Dashboard

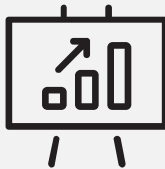

What is it?

- The COVID-19 Vaccine Data Dashboard is where Local Health Departments can view their region's or jurisdiction's vaccine allocations, distribution supply, and administration metrics in one place.

Who can access it?

- The Texas Vaccines for Children (TVFC) and Adult Safety Net (ASN) contacts for jurisdiction automatically received access to the dashboard. Additional users are being added.

When will I see data?

- The dashboard will begin to show data as soon as one of the facilities within the jurisdiction receives an allocation.
- Data will be refreshed nightly to reflect daily reporting from facilities/providers

Dashboard Tips & Tricks

Keep in mind...

The Dashboard works best with **Chrome** as your browser.

Dashboard data from VAOS and ImmTrac2 will be **updated nightly**. Please note that data may be **up to 24 hours out of date**.

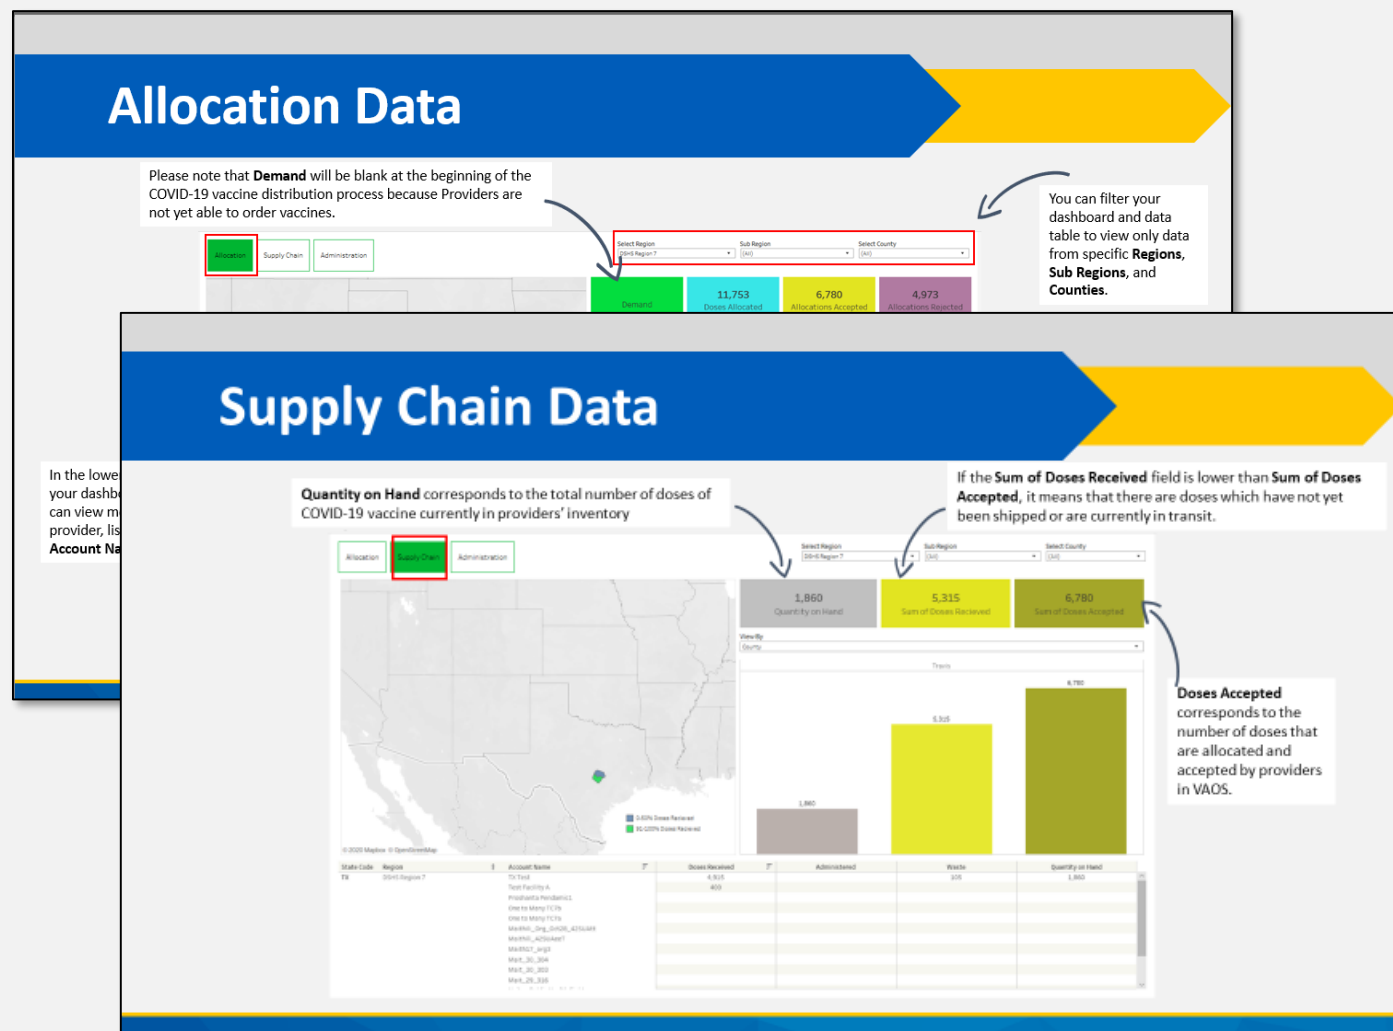

You can only view information for Providers in your jurisdiction – but this does not include contact information for providers

Dashboard User Guide & Video

The **COVID-19 Vaccine Data Dashboard – Local Health Entity User Guide** describes the steps to access and use the dashboard.

Also check out our **on-demand training video** on accessing your Vaccine Data Dashboard on the [COVID-19 Vaccine Management Resources site](#)

Accessing & Using the Dashboard

Overview:

*COVID-19 Vaccine Provider
Milestones & Resources*

COVID-19 Vaccine Provider Milestones

Resources Available for Providers

Visit the [DSHS COVID-19 Vaccine Management Resources site](#) for all information and resources related to vaccine management, distribution, and administration, including:

New Resources:

- Pfizer-BioNTech COVID-19 Vaccine Standing Orders Template
- Pfizer-BioNTech Screening Checklist
- On-Demand Training Videos
- *And more!*

The screenshot shows the Texas Department of State Health Services website. The header includes the Texas Department of State Health Services logo and navigation links: HOME, COVID-19, ABOUT DSHS, NEWS, I AM A..., MOST POPULAR, RESOURCES, ONLINE SERVICES, and CONTACT US. A search bar is located in the top right corner. The main content area is titled "COVID-19 Vaccine Management Resources" and features a large image of a COVID-19 virus particle. Below the image, a text box states: "This resource site contains information and resources for COVID-19 Vaccine Providers and local health entities related to COVID-19 vaccine distribution, administration and reporting." A section titled "Latest Updates" contains two sub-sections: "COVID-19 Vaccine Provider Webinars" and "COVID-19 Vaccine Provider FAQs". The "COVID-19 Vaccine Provider Webinars" section includes a link to "Interim Considerations: Preparing for the Potential Management of Anaphylaxis at COVID-19 Vaccination Sites" and a link to "Pfizer-BioNTech COVID-19 Vaccine Standing Orders Template (last updated 12/17/2020) (PDF)". The "COVID-19 Vaccine Provider FAQs" section includes a link to "COVID-19 Vaccine Provider FAQ (last updated 10/30/2020) (PDF)" and a link to "Weekly COVID-19 Vaccine Forum Presentations and Q&As". At the bottom of the page, a link reads "How to Become a COVID-19 Vaccine Provider".
